A JABADAO Early Years course

### Developmental Movement Play (DMP) for Early Years Advisors (2 days)

**For:** Early Years advisors supporting DMP trained practitioners in their area

Over half the local authorities in England and Wales now have practitioners who have taken the Developmental Movement Play Certificate Course and are trained to facilitate DMP with children in their settings. The course includes theory, practice and a quality assurance pack to use with practitioners in settings

NB: This course only enables you to support practitioners who have already done the DMP course. It does not train you to introduce, cascade or support the approach where there are no trained practitioners

Includes light buffet lunch and refreshments throughout the day
